Two stages with live entertainment brings a great energy and adds to our festival experience. The captivating sounds of bouzoukia from George Karras and the Kakias brothers fill the air outside. Inside, relax in a more intimate environment and listen to our very own Giorgo and the Corner Band as they entertain you with Greek music.

Our Greek Folk Dancers will take you on a musical journey through Greece, featuring dances from both the mainland and the islands. Enjoy the artistry and rhythm as they perform in full traditional dress. We invite you for "open dance" at the end of each evening.
